

WYATT MARCUM

ABOUT ME

I am currently seeking entry-level opportunities to gain valuable experience and contribute to a dynamic team. I am very passionate about patient care and mental well-being. I demonstrate strong interpersonal skills, empathy, and a dedication to continuous learning. I am eager to obtain foundational knowledge of psychological principles and gain experience in an administrative, clinical or research setting.

VOLUNTEER EXPERIENCE

Internship

2022

THOR3 (Tactical Human Optimization Rapid Rehabilitation and Reconditioning)

- Worked alongside a team of Physical Therapists, Athletic Trainers, and Strength Coaches who are specially dedicated to aiding 10th Special Forces Group (U.S. Army) located in Stuttgart, Germany
- Assisted the Physical Therapist in monitoring soldiers doing PT exercises when many soldiers needed PT's help
- Shadowed the athletic trainer and strength coach, and observed their processes for assessing Soldiers on their physical abilities and conditioning protocols

Volunteer Timer at Swim Meets

2019-2024

- Volunteered to time at swim meets for younger children/teammates so their parents could watch their children swim
 - Cheering for younger children and helping them navigate through the anxiety and chaos that comes with swim meets
 - worked to motivate and assist younger teammates to perform at their very best
-
